

SMILE...

...is an opportunity for women of all ages to come together and share with each other. Our mornings start with refreshments, sharing and prayer. Programs are designed to inspire, encourage and challenge you as a woman in today's world.

Child Care

Nurseries are provided for children under the age of two. For ages 2-5, there are individual classes where the teachers prepare stories, crafts and age appropriate activities.

Cost?

Attending SMILE is free of charge, though opportunity is given to share in expenses. On craft mornings a small fee is charged to cover the cost of supplies.

Cancellations

SMILE will not meet if the Penn Manor School District is delayed or closed.
