Worship leader gatherings planned:

A group of persons interested in connecting and resourcing contemporary worship leaders will be gathering on Wednesday evenings January 13 and 20 at Groffdale Mennonite Church at 7:00 p.m. Daryl Hoover from Carpenter Community Church will provide input and lead discussion on the role of the worship leader, leading a worship team and developing team worship ministry in the congregation. Our purpose is to connect and resource one another as congregational worship leaders with the potential of becoming a regular place of connection. We will spend time together in worship each night and look forward to learning from one another. For more information contact Jason Hursh (717) 626 1304.
