Youth Group

During the month of June the youth group had a car wash to raise money for the convention this summer. We also had a softball game for Father's Day. A group from Nepal came and joined us. It was a lot of fun. We are all looking forward to next month.

Sewing Circle

Seven ladies met for sewing circle on Wednesday, June 3 and knotted seven comforters. Lois Garber used Ephesians 3:14-19 for devotions. A farmer printed "God is love" on his weather vane. No, God is not as fickle as the wind, but whichever way the wind blows, God is love. If it blows cold and biting or warm and gentle, God is still love. When our root system holds firmly to God's love, we can survive anything.

Pastor's Corner

"Though the mountains be shaken and the hills be removed, yet my unfailing love for you will not be shaken nor my covenant of peace be removed, 'says the Lord, who has compassion on you" Isaiah 54:10 (NIV)

As you journey through the summer months and when it seems to grow stormy and dark remember that Jesus went through the ultimate amount of darkness, much more that you and I could ever imagine. In doing so He has the ability to show compassion on every moment of our lives, those we delight in and in those we dread.

Think about it this way, Jesus was the "God/Man" fully God and fully man, yet He experienced great temptation, loneliness and pain even unto giving up His life for the salvation of many. Jesus was able to endure all of this because of His Fathers' compassion. He received His strength through God's unlimited grace, mercy and love poured out onto Him. Isaiah 54:10

might have been Jesus' beloved scripture as He went through the many trials of life.

The great news is that just as Jesus received God's good gifts we too can receive them in abundance. Let us accept God's unfailing love and compassion even when the world falls away around us. You see, in the end when there is nothing remaining but God, we will truly understand that He is all we need.

When you and I come to grasp that Jesus is the only need we have in this life, we will make a difference in our daily living networks. The peace that passes all understanding will be ours and then the world will know we are different, that we are not from this world but have entered the world of the "Redeemed."

Peace to your house,

Curtiss
